

28 Days | SUPPLY LIST

At Big Picture Scrapbooking, substitutions are encouraged! Our supply lists are designed to help you use what you have on hand. When you do need help or additional supplies, we believe the personal attention at your local scrapbook store can't be beat. We are pleased to be in partnership with Scrapbook.com to offer you a visual reference to tools and products you will need to gather. We cannot guarantee the availability of every item on this list, but we work diligently with the Scrapbook.com team and appreciate their efforts to provide a convenient, one-stop resource online.

To prepare for Gretchen's class, please gather the following:

- [Basic tool kit](#)
- [Crop-A-Dile](#) or 1/4" hole punch.
- [craft knife](#).
- compass (to help create a circle)
- one sheet of black cardstock in 8 1/2" x 11" or 12" x 12" (depending on the size you scrap).
- three tags (one approximately 3 1/4" x 6 1/4" and the other two approximately 2 3/4" x 5 1/4").
- one 4" x 6" photo album (these are relatively inexpensive; I found mine at Wal-Mart) for your daily photos
- journal to alter (or create your own out of thick chipboard, cardstock, and loose leaf rings).
- rolodex file and cards.
- one candle (either tall and round, in a tin, or glass).
- buttons.
- frame that holds a 4" x 6" photo (I used a canvas frame by [EK Success](#)).
- reinforcement labels.
- two 3" x 3" pieces of chipboard (I used a piece that came with a paper order).

- one loose leaf ring (available at any office supply store)
- wood cutting board -OR- [art canvas](#) (my cutting board has a handle opening that measures 8 1/2" x 13". if you cannot find a wood cutting board to use or would rather not use one, a similar, alternative project using an art canvas is given. the art canvas I used is approximately 10" x 10" but any size will work.)
- [plaid decoupage finish](#) or [modge podge](#) .
- [white gesso](#) (optional).
- [acrylic paints](#) in a variety of colors you like.
- pre-cut card with window opening (or you can create your own using a [square punch](#). The one I used is from Making Memories.
- a few magazines that you're willing to cut up.
- one 4" x 6" photo of yourself.
- ten 2" x 2" photos that are matching in theme.
- one photo of an object or gift that has special meaning to you.

This class is a great way to use up your supplies. I want to strongly encourage to go ahead and use whatever supplies they have on hand. Your papers, stickers, die cut machine if you have one, stamps, your ribbons, eyelets, brads, etc. ... I want you to make good use of your stash. I've got a few special projects planned over the course of this workshop. The items needed for those are listed above.

Please note: Make sure you have everything you need. Because of the fast-paced nature of this class, you'll need to have everything ready to go! If you have any questions about the supplies, feel free to email me gretchens@bigpicturescrapbooking.com.

I can't wait to see you in class!

Gretchen S.
