

Cut the Crazy out of Christmas

Georgana Hall and Debbie Raymond | Master Supply List

At Big Picture Scrapbooking, substitutions are encouraged! Our supply lists are designed to help you use what you have on hand. When you do need help or additional supplies, we believe the personal attention at your local scrapbook store can't be beat. We are pleased to be in partnership with Scrapbook.com to offer you a visual reference to tools and products you will need to gather. We cannot guarantee the availability of every item on this list, but we work diligently with the Scrapbook.com team and appreciate their efforts to provide a convenient, one-stop resource online.

To prepare for Georgana and Debbie's class, please gather the following:

- one three-ring 8 1/2" x 11" binder - 1" or 1 1/2" view binder with clear pocket on front cover.
- clear plastic page protectors.
- assorted Christmas paper and accents from your stash. We used the Adornit Holly Jolly Collection. You may purchase Adornit scrapbook supplies individually or purchase the exclusive [Cut the Crazy Scrapbook Kit](#).
- computer with word processor.
- printer and color ink - note: We will be printing our entire Christmas Planner, so be sure to have plenty of ink cartridges.
- printer paper.
- pens you love - in red and green, of course.

- photos from past holiday celebrations.
- If you'd rather conserve ink and not print all the classroom downloads, you can purchase the [original Cut the Crazy out of Christmas planner!](#) Text is the same as your class download pages, graphic art is different.

Wishing you holiday peace and joy. (Can't wait to get started!)
