

Creating Digital Cards

Lisa Cohen | Master Supply List

At Big Picture Scrapbooking, substitutions are encouraged! Our supply lists are designed to help you use what you have on hand. When you do need help or additional supplies, we believe the personal attention at your local scrapbook store can't be beat. We are pleased to be in partnership with Scrapbook.com to offer you a visual reference to tools and products you will need to gather. We cannot guarantee the availability of every item on this list, but we work diligently with the Scrapbook.com team and appreciate their efforts to provide a convenient, one-stop resource online.

To prepare for Lisa's class, please gather the following:

- A computer (PC or Mac).
- Adobe Photoshop Elements 3.0, 4.0, 5.0, or 6.0.
(You can download a free, 30-day trial version of Adobe Photoshop Elements from the download section of the Adobe website.)
- A few digital photos to showcase in your cards (already uploaded on your computer).

I look forward to seeing you in class!

Lisa
