STACY JULIAN | MASTER SUPPLY LIST

At Big Picture Scrapbooking, substitutions are encouraged! Our supply lists are designed to help you use what you have on hand. When you do need help or additional supplies, we believe the personal attention at your local scrapbook store can't be beat. We are pleased to be in partnership with Scrapbook.com to offer you a visual reference to tools and products you will need to gather. We cannot guarantee the availability of every item on this list, but we work diligently with the Scrapbook.com team and appreciate their efforts to provide a convenient, one-stop resource online.

To prepare for Stacy's class, please gather the following:

- a [Basic tool kit](#) (to purchase items like these [click here](#))
- color printer (to print pdf templates for August's project)
- a stash of photos and scrapbooking product (anyone?)
- [craft knife](#) and [cutting mat](#)
- two inexpensive plastic photo albums that hold 4" x 6" photos (these can be purchased at a general merchandise store, like Target or Walmart)
- three additional photo albums (details in the classroom)
- one 12" x 12" gated Fancy Pants album (see photo below) or optional 12" x 12" album purchase (details in the classroom)
- a pair of FUN flip flops [optional purchase]
- a "try anything" attitude

note: Please don't worry too much about purchasing albums right now. I'll post more detailed supply lists for projects in August and September in our classroom, during the first week of July. All you need for July is your stash of photos and scrapbook product, some bubblegum, and the determination to blow-off worn out excuses and not-so-fun ideas about how things have to be done.

I can't wait to see you in class!

Stacy
