

Everyone Can Write a Little

The 2009 MicroBlog Album Workshop

Master Supply list

Please gather the following supplies for Cathy's class:

STACY'S BASICS

- paper trimmer
- precision-tipped scissors
- paper-to-paper adhesive (glue stick)
- photo adhesive (tape runner)
- black journaling pens (in sizes .03 and .08)
- pencil
- art gum eraser
- see-through ruler
- paper piercer
- craft knife

- a Twitter or Facebook account (both are free and simple to set up).
- one 6" x 6" album (I am using the **American Crafts Modern Binder**, but any 6" x 6" album will do).
- four sheets of 12" x 12" **patterned paper** (your choice) to cover your AC binder.
- 20 to 25 sheets of 8 1/2" x 11" photo paper or **white cardstock** to print out your digital pages.
- five sheets of 12" x 12" cardstock in your choice of color (to build your album pages on), cut into 6" x 6" squares.
- two sheets of 8 1/2" x 11" **Kraft colored cardstock** (or in a color of your choice).
- Photoshop Elements, or Photoshop.
- A photo printer, or comparable, in regular format size. (You'll need to be able to print out 8 1/2" x 11" pages, which will be trimmed down.) Alternately, the ability to have your pages printed at a photo printing service.
- 20 favorite photos to drop into your pages, digitally.

Note: If you do not have Photoshop Elements, there will be PDF templates that allow you to create the album manually by using your own handwriting and cropping your photos to fit. However, the digital experience is stressed in this workshop, so you may not get as much out of the workshop if you create your pages by hand.
